

Risk Management Client Technical Advisor

Great opportunity with an award-winning company!

Vizance is currently seeking an experienced **Risk Management Client Technical Advisor**. Vizance is an independent insurance agency headquartered in Hartland that puts a premium on culture and our associates. Recent awards include:

- Top Workplaces, Milwaukee Journal Sentinel
- Best Places to Work, Milwaukee Business Journal
- Future 50 Award Winner
- Fastest Growing Firms

The Client Technical Advisor provides outstanding customer service for our Risk Management Business clients. This associate needs strong attention to detail, interest in learning a new industry, and the ability to obtain a Wisconsin Property & Casualty Insurance license.

Why Vizance?

- **Competitive compensation package with benefits.** Benefits include medical, dental, vision, disability, life insurance, 401(k) with company match.
- **Outstanding growth opportunities.** Our history of strong growth allows for opportunities across all of our departments.
- **Professional development.** We embrace continuous learning and provide assistance with continuing education credits. Training is provided
- **Charity and community involvement.** Vizance provides opportunities for our associates to get involved with a variety of causes.
- **Other perks.** Casual Dress on Fridays, unlimited coffee, monthly lunches, a coaching program, and a paid day off on your birthday are some of the other “extras” that you’ll find with us.
