

5 WAYS TO SUPPORT LOCAL BUSINESSES

Coronavirus has created a temporary new normal for all of us. As we stay home in support of the #saferathome measures, many small, local business are struggling. It's up to all of us as community members and clients to help support our local businesses.

Here are some ways you can help from home!

BUY GIFT CARDS TO USE AT A FUTURE DATE

While your favorite business may not be fully operational today, we hope it will be soon. Buy a gift card and use it when they re-illuminate their open sign.

SUBMIT ONLINE REVIEWS

How often do you use online reviews to make buying decisions? In today's digital world, online reviews are very important to all businesses. If you have a few extra moments to express your thoughts about your favorite local business, go to Google and submit a review!

FOLLOW THEIR PROGRESS

Like, share, and comment on their social media pages and websites. With the COVID-19 situation changing so rapidly, it's also a great way to stay up-to-date with their progress and service offerings.

ORDER DELIVERY OR CARRY-OUT

Many restaurants and other local business are getting creative and offering delivery or carry-out services, even if they previously did not.

DONATE

If you are in a position to help a local business or non-profit, please do so!
