

INDEPENDENT AGENTS MAKE INSURANCE BETTER

LEVERAGING TECHNOLOGY

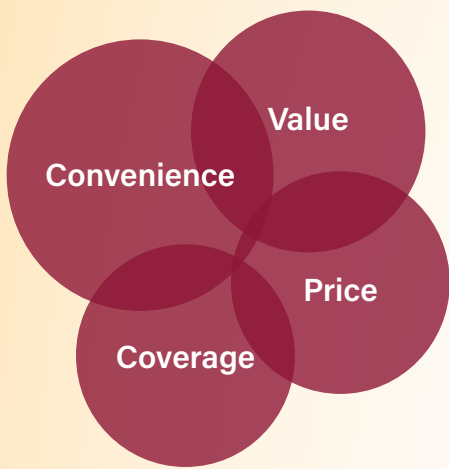

to offer electronic communications, e-signature, online researching and more. We offer paperless solutions for our clients

ANSWERING YOUR QUESTIONS

better than intelligent voice agents, such as Alexa or Siri, that only answer **35%** of voice search questions

“Alexa, how much insurance does my family need?”
“I’m sorry, I don’t know that command.”

OFFERING CHOICE BY WORKING WITH MULTIPLE INSURANCE CARRIERS

Options ensure you’ll receive the best combination of convenience, coverage, value and price without having to sacrifice any of them

OFFERING COVERAGES, DEDUCTIBLES AND PREMIUMS

2/3 of those who research decide to buy their coverage from an agent
56% of consumers agreed it would be helpful to have access to an insurance expert when making decisions on home insurance

HELPING ENSURE YOU DON’T BECOME A STATISTIC

60% of homeowners are underinsured
63% of small business owners do not feel they have adequate insurance protection

ENABLING ACCOUNT SOLUTIONS WITH:

1 CARRIER

1 BILL

1 EFFECTIVE DATE

4 ALL OF YOUR INSURANCE NEEDS!

HELPING PREVENT CLAIMS

64% of small business owners report their local agent discussed risk management services with them

PLUS, THEY:

- Represent your interests
- Do the research for you
- Understand risks within your local market
- Work on your behalf should you have a claim
- Drive the local economy as employers, taxpayers and charitable donors

EXPERIENCE IT FOR YOURSELF!
